New Business:

Chris will request a letter be sent to the College for Trust funds. There are two years in funds available.

Prof. Debbie Kasper representing Hiram College has requested \$3,000.00 for materials to make improvements to the Copper Beeches park. This would include pavers, gravel and plantings. There is only \$1908.00 in the Beautification fund at present. The Beautification Commission will need to request the additional funds be appropriated.
